Section Two: Summarize your findings: what is happening in your country and what is being done. Use the information you found and create a powerpoint on the topic. Come see me if you would like to present in a different way.

Section Three: Present your findings to the class with a brief 1-2 minute presentation.

Assessment:

What is happening- 5 marks

What is being done - 5 marks

Presentation/Visual - 5 marks

Total: 15 marks
